

as defined by EU-directive(s)

☒ Directive 2014/68/EU

**PRODUCT** Foot Valve

fabricate PP; DN32/d40 – DN80/d110 ; EPDM/FPM

type S4

is developed, designed and produced in accordance with above mentioned EU-directive(s), under the own responsibility of

Company Praher Plastics Austria GmbH, Ponegggenstraße 5, 4311 Schwertberg

Conformity  
procedures Category II, Module A2

The third party inspection is carried out by the notified body CE0036 (TÜV Süd Industrie Service GmbH)

The durability of pressure and temperature depends on the material, the dimension and the actuating element. The user is responsible for a check if the product can be used. Therefore please use the technical datasheets which can be found at [www.praherplastics.com](http://www.praherplastics.com)

Applied harmonized standards, guidelines and specifications in particular:

☒ EN ISO 16137 : 2006

☒ EN ISO 15494 : 2003

A complete technical documentation is existing.  
The associated operating instruction of the product is given.

**Comments:**

Valves with dimensions <DN32 are not part of the directive.  
We make the advice that each self-contained change, through which the technical data are changed, excuses the Praher Plastics Austria GmbH from this declaration.
